Reader's Opinions

You can see some good ideas coming from Lemiere that will later inspire his amazing work on Animal Man but this title seems to constrain his talent being pretty much a teen fiction read. Read it if you're looking to read everything by J.L but overall it is a lacklustre story...

Lindo experimento que, aunque huele a fallido, dio un ao de historietas superboyescas de lo ms entretenido, aunque me encontr con mucho ms Smallville (la serie de tv) de lo que esperaba y menos Twin Peaks de lo que me prometieron. Aun as, fue un lindo reencuentro con el viejo, querido y entonces no rebooteado Kon.
